

## All-in-one

Glass and surface cleaning or floor washing? **Belty fits each operation** supporting the operator step by step until the task is completed.

No more sizing problems: comfortable to wear and practical to use, the special belt is equipped with a **freely adjustable strap tape holder** that makes it universal.

The kit includes a **two-space pocket** to hold cloths, mops and a sprayer if required, and a **single-space pocket** for dirty mops. Both have a **small practical front pocket** for small tools **that can be closed**.

The belt can be equipped with a **bag holder ring** for waste collection, that could be connected quickly.

Belt can be adjusted  
in a few moments

Two-space pocket with  
vertical divider

Single-space pocket with bag  
fastening buttons

Plastic bag holder ring  
for waste collection
